MASTER OF TEACHING, EDUCATION & TRAINING (MEEF)

School of Social Sciences & Applied Languages

Overview

The Master's MEEF is a 2-year international degree recognized in Egypt, offered in partnership with CY Université and INSPE Versailles. The program is taught in French. To earn the degree, students must complete an internship and a professional project.

French Partner

French degree with international
recognition

WHY STUDY MASTER MEEF:

- Learn the French pedagogical technics and trends.
- Learn how to develop French curriculum (primary school) in the context of a French or international school.
- Apply the French Educational Paradigm for primary schools in an Egyptian environment.
- obtain an official French University recognition regarding the French Educational pedagogy and techniques.
- To be one of the key elements in the accreditation of the school by the French Educational Authorities.

POSSIBLE CAREERS PATHS

- The master's degree gives students access to the teaching profession in Labelled French speaking schools.
