

I. Vacancy: Assistant Lecturer/Teaching Assistant in Business Informatics and Data Analytics

Category: Faculty Positions, Faculty of Management and Information Systems

Type: Full-Time.

Location: Université Française d'Égypte, Shorouk City, Cairo.

About Université Française d'Égypte

Université Française d'Égypte (UFE) is a national (Ahleya), non-profit university offering multidisciplinary education and research under the joint supervision of the Egyptian and French Ministries of Higher Education. Established in 2002 and strengthened by an intergovernmental agreement in 2019, UFE provides English-taught and French-taught programs, blending French academic excellence with global standards.

As part of our continuous expansion, the department of Business Informatics and Data Analytics is recruiting a colleague with high research potential and with high teaching skills.

THE POSITION

The candidate will be expected to:

- Contribute to teaching undergraduate Business Informatics and Data Analytics courses
- Mastering the usage of some tools and programming languages including Tableaux or PowerBI, Mysql, SQL Server, Access Database, R Program, HTML, Php and Javascript.
- Contribute to the intellectual and academic life of the department
- Participate in the different scientific and administrative tasks of the department Requirements

Applicants must have:

- A Master of Science or Master (M1 et M2) in Information Systems or Management Information Systems or Computer Science from a reputable university.
- A record of teaching experience at the graduate level

Well-qualified candidates should have a demonstrated ability to develop high-level research.

UFE will consider with interest research profiles with a research agenda that can contribute to the following topics relevant to building a more sustainable world:

- Sustainable Development
- Interculturality

- Technological Transition

Fluency in English and/ or French is required. Speaking French is not a requirement but holding basic notions in French is an asset. French lessons are proposed to all new international faculty recruited. Salary will be commensurate with prior performance and experience, and our incentives are highly competitive.

The position is on our main campus in Shorouk, in Greater Cairo. The Shorouk city is well located at 20 min from the New Capital and New Cairo, 30 min from international Cairo airport and only 90mn from the Red Sea.

THE APPLICATION SHOULD CONSIST OF

- A cover letter specifying the motivation for the position
- A curriculum vitae including published papers if there exist, work in progress and/or under review
- A research statement
- A teaching statement
- A list of three references

Candidates are strongly encouraged to apply as soon as possible. All application materials should be submitted in English or in French.

For the CV submission please send it to: cv@ufe.edu.eg and mariam.gawish@ufe.edu.eg

Email subject title: Faculty Position in Business Informatics and Data Analytics.

Application deadline: **August 31, 2025.**
