

Call for a Faculty Position at the French University in Egypt

The French University in Egypt (UFE) invites applications for faculty positions to be filled effective September 2026. UFE, a leading institution of higher education in Egypt, operates in partnership with prestigious French universities, including, but not limited to, Sorbonne Nouvelle University, Nantes University, Haute-Alsace University, Paris 1 Panthéon-Sorbonne University, CY Cergy Paris University, Gustave Eiffel University, Versailles Saint-Quentin University, le CNAM... Our mission is to deliver academic excellence through a unique blend of Egyptian and French educational traditions.

8- Assistant Professor in Mathematics

Key Responsibilities

- Teach undergraduate and graduate courses in Mathematics and related fields.
- Engage in innovative research, publish in reputable academic journals, and participate in international specialized conferences.
- Secure research funding and develop industry partnerships for collaborative projects.
- Contribute to curriculum development and program accreditation.
- Supervise undergraduate and graduate students in research projects.
- Mentor and lead students in student activities, projects, thesis work, entrepreneurship initiatives, hackathons and competitions.
- Participate in research seminars, workshops, community outreach and university service activities.
- Participate in any organizational and administrative tasks.

Required Qualifications

- Ph.D. in Mathematics, or a closely related discipline from a recognized institution.
- Thorough and up-to-date knowledge of core mathematical concepts, theories, and techniques across a wide range of mathematical disciplines, including calculus, linear algebra, discrete mathematics, probability and statistics, differential equations, and numerical methods.
- Familiarity with advanced mathematical topics relevant to the specific courses the lecturer will be teaching, such as mathematical modeling, optimization, or computational mathematics.
- Strong research record with publications in top journals and conferences.
- Demonstrated excellence in student mentorship.
- Ability to integrate theory and practice in Mathematics applications.
- Track record in securing external research funding and industry collaboration.
- Active engagement in professional networks and organizations.
- Fluent English language, with excellent verbal and communication skills.
- Familiarity with the French language is a plus.

Preferred Qualifications

- Industry experience or strong ties to industries.
- Familiarity with accreditation standards and quality assurance processes.
- A strong commitment to entrepreneurship and innovation.
- Strong ties to industrial R&D labs and governmental research initiatives.
- A passion for mentoring students in innovation and entrepreneurship.

Application Instructions

Interested applicants are invited to submit a curriculum vitae that includes: employment history, a statement of research and teaching interests aligned with UFE's Franco-Egyptian mission, a list of publications, the names of at least three referees, and a letter of motivation.

Academic rank is assigned based on the highest degree earned, teaching experience, research output, and years of relevant experience.

Applications will be reviewed until the positions are filled. For best consideration, applications should be submitted by **July 3rd, 2026**
