

UFE IS RECRUITING ITS PHOTOGRAPHER & VIDEOGRAPHER

UNIVERSITÉ FRANÇAISE D'ÉGYPTÉ

Founded in ٢٠٠٢, Université Française d'Égypte (UFE) is a national / Ahleya University under the dual supervision of the Egyptian and French Ministries of Higher Education and Research. It offers a promise to the new generation of pathfinders. A promise to receive unparalleled high-quality educational programs, a solid integration into the job market, and a dedication to securing a professional future. The hub of French higher education in Egypt, UFE offers a multicultural experience, providing degrees from renowned French universities accredited by France's Ministry of Higher Education and Research.

With tremendous support from both the Egyptian and French governments, UFE is ready to move to a new campus with a total area that exceeds thirty Fidan. The top-notch campus, with its superb design, is expected to receive students starting in the academic year ٢٠٢٦-٢٠٢٧, which will be a paradigm shift in UFE's educational and student life offerings alike.

THE POSITION

The Photographer & Videographer is responsible for producing high-quality visual content that promotes (UFE), its academic programs, student life, research, events, and institutional achievements. This role supports the university's branding, student recruitment, and communication strategies through creative storytelling across digital and print platforms.

Key Responsibilities

- Capture professional photography for university events, academic activities, student life, faculty, leadership, laboratories, and campus facilities.
- Plan, produce, and edit high-quality video content for promotional campaigns, academic programs, student stories, interviews, campus tours, and special events.
- Create engaging multimedia content optimized for digital platforms, including the university website and social media channels (Instagram, TikTok, Facebook, LinkedIn, and YouTube).
- Edit and enhance photos and videos to ensure professional quality and consistency with the university's brand identity and visual standards.

- Collaborate with the Marketing and Communications team to develop creative concepts and deliver compelling visual storytelling that supports institutional objectives.
- Provide comprehensive multimedia coverage of university events, including photography, videography, live streaming, and post-production as required.
- Operate and maintain professional multimedia equipment, including cameras, lenses, lighting, audio equipment, stabilizers, and drones (where licensed).
- Manage and organize digital media assets, ensuring proper archiving, backup, and efficient retrieval of photo and video files.
- Coordinate effectively with faculty, staff, students, and external vendors to deliver multimedia projects on schedule while managing multiple assignments.
- Maintain flexibility to support university activities, including occasional evening and weekend assignments, ensuring timely delivery of high-quality visual content.

Education and Experience

- Bachelor's degree in Photography, Film Production, Multimedia, Mass Communication, Media Arts, or a related field.
- ٢ years of professional experience in photography and videography.
- Experience in higher education or institutional marketing is an advantage.

Profile Sought

- Advanced knowledge of composition, lighting, framing, and color correction.
- Proficiency in Adobe Premiere Pro, Adobe After Effects, Adobe Lightroom, and Adobe Audition (preferred).
- Experience with professional lighting and audio equipment.
- Understanding of video formats, codecs, and social media content specifications.
- Creative thinking with excellent visual storytelling and attention to detail.
- Strong communication and interpersonal skills, team-oriented with a proactive attitude.
- Strong organizational and time-management skills, with the ability to manage multiple projects under tight deadlines.
- Flexibility to work evenings and weekends during university events.

The application should include

- Cover letter specifying the motivation for the position.
- Curriculum vitae.
- Portfolio or showreel showcasing recent photography and videography work.
- The Cover letter and the CV should be submitted in English or French.

Any application that does not include all the documents listed above will be considered inadmissible and will not be reviewed.
