

About IEEE 3SCEA2027

IEEE 3SCEA2027, the premier global event explores cutting-edge technologies and innovations that merge smart systems with sustainability. As we face exceptional global challenges in both environmental sustainability and technological advancements, the role of smart systems in shaping the future of engineering applications has never been more critical. IEEE 3SCEA2027 brings together thought leaders, scientists, engineers, practitioners, researchers, industry professionals, and policymakers to create a collaborative environment that fosters knowledge exchange and innovation, driving the adoption of sustainable solutions in computer science and engineering applications. It aims to accelerate the development and implementation of smart sustainable systems that address the pressing needs of today and future. We invite you to join us at IEEE 3SCEA2027 and be a part of shaping the future of sustainable engineering and technology through technical paper presentations and distinguished keynote speeches.

Conference Tracks

- Track 1: Advances in AI and Machine Learning Technologies for Sustainability
Track 2: Cybersecurity, Digital Privacy and Blockchain for Sustainable Systems
Track 3: Internet of Things (IoT), Edge, Fog and Cloud Computing for Sustainability
Track 4: Autonomous Systems and Robotics for Sustainable Engineering
Track 5: Quantum Computing in Sustainable Engineering and Smart Systems
Track 6: Mathematical and Computational Modeling for Sustainable Complex Systems
Track 7: Smart Applications for Sustainability
Track 8: Technologies for Enhanced and Connected Agriculture (TechAgri)

Important Dates

- Paper submission deadline: **December 20, 2026**
Author notification: **January 15, 2027**
Camera-ready submission: **January 24, 2027**
- Submission portal: <https://cmt3.research.microsoft.com/3SCEA2027>

Submission and Publication Instructions

Accepted papers in the **double-column standard IEEE format** via <https://www.ieee.org/conferences/publishing/templates> will be included in the conference proceedings published in **IEEE Xplore digital library** covered by **Scopus and EI indexing**. IEEE 3SCEA2027 adopts a **double-anonymous review process** for the following types of submissions:

- **Regular Papers:** Novel and mature research work (4000-6000 words, up to 10 pages including references).
- **Short Papers:** Work in progress with some validation results, (2500-3000 words, up to 6 pages including references).
- **Applications/Industrial Papers:** Case studies and tools, (2500-3000 words, up to 8 pages including references).
- **PhD Posters:** doctoral students can showcase their research (up to 2 pages including references) ([Download Poster Template](#)).
- **High School and Undergraduate Students Short Papers:** (2500-3000 words, up to 5 pages including references).

All authors listed in a paper should be added to the CMT submission portal. Authorship cannot be modified after submission. For double-anonymous review process, it is the responsibility of authors to submit a blind version, without the authors’ names.

Special Sessions co-located in IEEE 3SCEA2027 (Included in conference proceedings)

SS1: Sustainable Governance and Social Responsibility based on Artificial Intelligence Approaches (SGSR-AI)
Co-Chairs: Nader Abdelmalek, Cyprien Gilet, Marie-Hélène Abel
University of Technology of Compiègne, France

Best Paper Award

The IEEE 3SCEA2027 Conference Organizing Committee will select 3 papers for the Best Paper Award (1st Rank, 2nd Rank and 3rd Rank). The selection will be based on the established review criteria: originality, technical soundness, potential impact, significance, and quality of presentation. The Best Paper Award certificates and gifts will be presented in person during the conference.

Registration Fees

Foreigner Participants	Before 24th Jan 2027	After 24th Jan 2027
Non-IEEE Author (Regular Registration) *	400 EUR	500 EUR
IEEE member Author (Regular Registration) *	350 EUR	450 EUR
Student Author **	300 EUR	400 EUR
PhD Posters	200 EUR	300 EUR
Online Presentation	250 EUR	350 EUR
One additional paper for the same Author (Upon Regular Registration)	300 EUR	400 EUR
Extra page exceeding limit per page	25 EUR	25 EUR
Non-Author Participant per day	150 EUR	150 EUR
Egyptian Participants		
Non-IEEE Author (Regular Registration) *	5,000 EGP	6,000 EGP
IEEE member Author (Regular Registration) *	4,500 EGP	5,500 EGP
Student Author **	4,000 EGP	5,000 EGP
PhD Posters	3,000 EGP	4,000 EGP
One additional paper for the same Author (Upon Regular Registration)	4,000 EGP	5,000 EGP
Extra page exceeding limit per page	500 EGP	500 EGP
Non-Author Participant per day	2,500 EGP	2,500 EGP

** The student is the First Author and the Corresponding Author, upon providing student card or formal document. Student Registration includes access to all conference sessions, conference material, lunches, and coffee breaks.
* Regular Registration fee includes access to the conference sessions, conference material, lunches, coffee breaks, and welcome reception.
- Welcome reception can be purchased extra for Students and Accompanying Persons.
- Touristic culturalTrips for Conference Participants are purchased extra, including transportations. For more information, please visit: <https://ufe.edu.eg/3scea2027/>

Touristic, cultural Trips for Participants
Trips are organized for participants during and after conference dates to discover the most famous attractions in Egypt.

Conference Chairs
Sherin Moussa, UFE
Ahmed Madian, IEEE Egypt Section Chair

Organizing Committee & Track Chairs
Ahmed Magdy, SCU, Egypt
Alessandro Correa-Victorino, UTC, France
Asmaa Saafan, NTI, Egypt
Cyprien Gilet, UTC, France
Ghada Jaber, UTC, France
Ghazal Fahmy, NTi, Egypt
Ibrahim Gomaa, NTI, Egypt
John Fayez, GIU, Egypt
Keun-woo Lim, Telecom Paris, France
Layth Sliman, Efrei Paris, France
Mahdi Zargayouna, Uni-Eiffel, France
Mohamed Ibrahim, ASU, Egypt
Mohamed Marey, MUST, Egypt
Mohamed Waleed Fakhr, TKH, Egypt
Mustafa Shiple, NTI, Egypt
Raoudha Ben Djemaa, ISITCOM, Tunisia
Rima Hleiss, CESI, France
Rouwaida Abdallah, CEA, France
Samir Ouchani, CESI, France
Soad Bakry, ASU, Egypt
Stefano SECCI, Le CNAM, France
Yara Maher, UFE, Egypt
Yasmin Adel, UFE, Egypt
Yohan Dupuis, CESI, France
